

A Story of Healing

WAYS GOD HEALS

- **James 5** - through the special intervention of his Spirit so that our bodies or minds or psyches are restored
- **2 Corinthians 12** – the miraculous healing of lives as people **grow in Christ-likeness** and develop deep, Christ-like character and grace
- **Revelation 21** – when God heals everything **fully**
- through **medicine and medical** procedures he has gifted men and women to develop.
- how God made **our bodies** work (auto-immune system, antibodies, etc.)
- healing **fruits and herbs** from God's creation; **drugs** made from God's creation

- **Prevenient grace** (the grace that “goes before” we commit to Christ and awakens our hunger for God) and **Regeneration** (newness of life when we are “born again”).
- **miracles of forgiveness and reconciliation** (with God and with people).
- the **Lord's Supper**, through which God keeps touching us and strengthening us.
- **Scripture and worship**. There's much, much more.
- **riches of relationship and care** that we would never otherwise experience when life seems so hard.
- **new capacity to trust him.** + + +

“. . . abundantly far more than all we can ask or imagine.”

Our God is a healing God!
